Vanessa Amorosi

Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
Everybody, everybody  
Absolutely everybodyAbsolutely everybody  
Absolutely everybody  
Absolutely everybody  
Absolutely everybodyEverybody needs a little loving  
Everybody needs somebody thinking of them  
Everybody needs a little respect  
And whatever it takes, I'm gonna get itEverybody needs a hand to hold  
Someone to cling to  
When the nights are getting cold  
I'm no different, I am just the same  
A player in the gameAbsolutely everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide worldAbsolutely everybody  
Every boy and every girl  
Absolutely everybodyEverybody needs a human touch  
I can't live without it  
It means too much to me  
Everybody needs one true friend  
Someone who'll be there 'til the very endAnd absolutely everybody breathes  
And everybody, everybody bleeds  
We're no different, we're all the same  
Players in the gameAbsolutely, everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide worldEverybody breathes  
And everybody needs  
Absolutely everybodyAbsolutely everybody  
Absolutely everybody  
Absolutely everybody  
Absolutely everybodyEvery boy and girl  
Every woman and child  
Every father and son

I said now everyone  
Yes now everyone Everybody needs a human touch  
Everybody, everybody needs love  
Im no different, I am just the same  
A player in the game Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide world Everybody breathes  
And everybody needs  
Absolutely everybody Absolutely everybody  
Everybody, everybody  
Absolutely everybody  
In the whole wide world Everybody breathes  
And everybody needs  
Absolutely everybody Absolutely everybody
