

# Yeah

## King's X

I hate the world because of you,  
The blame is my mistake.Yeah..  
Present company decline,  
An aura void of truth.Yeah..  
Please forgive me for my attitude  
I'm choosing to stay on my side  
Live with an addict you pick up a habit  
of letting them destroy your lifeI hate the world because of you.  
Yeah..
