

Sea Of No Cares

Great Big Sea

When you're in love, there's no time and no space
There's a permanent smile on your face
Your friends all complain that you're going insane
But the truth is they're just afraidHey, hey, hey somewhere
You threw your fear in the sea of no cares
Hey, hey, hey somewhere
You threw your fear in the sea of no caresWhen you decide that what counts is inside
Your friends all say it's a lie
But there's no brighter light than the look in her eyes
When you're walking her home through the nightAnd hey, hey, hey somewhere
You threw your fear in the sea of no cares
And hey, hey, hey somewhere
You threw your fear in the sea of no caresLet yourself go with the tide
There's an angel by your side tonight
Throw your fear in the seaBack at the bar getting cynically stoned
Your friends are drinking alone
But it's funny, they don't even cross your mind
When she asks you into her homeAnd hey, hey, hey somewhere
You threw your fear in the sea of no cares
And hey, hey, hey somewhere
You threw your fear in the sea of no caresHey, hey, hey somewhere
You threw your fear in the sea of no cares
And hey, hey, hey somewhere
You threw your fear in the sea of no caresYou threw your fear in the sea
You threw your fear in the sea
