

Hypnotize the Moon

Clay Walker

She knew she caught my eye
And that was all it took
Ain't it strange how forever changed
With just one lookThe magic filled the night
She touched my soul like no one else
Yes, the way that woman made me feel
Left me talking to myselfYou better run for cover
You better hide your heart
'Cause once you start to love her
You know you'll never stopShe shines like a diamond
When she walks into a room
She could charm the stars
Hypnotize the moonOnce I held her close
I knew just where I stood
No, you never get a second chance
To ever feel so goodThen and there I knew
These words were etched in stone
If you can't feel the power of
The greatest love you've knownYou better run for cover
You better hide your heart
'Cause once you start to love her
You know you'll never stopShe shines like a diamond
When she walks into a room
She could charm the stars
Hypnotize the moonYou better run for cover
You better hide your heart
'Cause once you start to love her
You know you'll never stopShe shines like a diamond
When she walks into a room
She could charm the stars
She could charm the stars
Hypnotize the moon
