

Just a Step from Heaven (Radio Mix)

Eternal

By: Wayne Cohen/Shepard Solomon
Tell me that we still belong
Tell me that the will is still alive
There must be another chance for us tonight
'Coz everyone who's walked that path
Trouble or lies, they come and go
We can be the lucky ones
And find love, after the storm
Don't let go
'Coz it's just a step from heaven
And the strength of love is on our side
Soon you'll find
And our faith will take us higher
'Coz we're just a step
Baby just a step from heaven
We don't need to justify our emotions
We don't need to worry 'coz if they hold on
There's a bigger destiny that was made for us
So don't let troubles bring you down
Believe in the foundation of our love
Can't you see my faith in you
Is forever and more
Don't let go
'Coz it's just a step from heaven
And the strength of love is on our side
Soon you'll find
And our faith will take us higher
'Coz we're just a step
Baby just a step from heaven
Heaven, oh yeah
Heaven, oh yeah
Baby can't you see
This love was meant to be
We can rise above this pain in our hearts
Don't let go 'coz it's just a step from heaven
And the strength of love is on our side
Soon you'll find
And our faith will take us higher
'Coz we're just a step

Baby just a step from heaven
