Talk is Cheap.

Never Shout Never

Everyone around me is always just-a talking,
but the talkers keep on talking,
or develop into walkers,
I will never know, cause I will never go
there.Because talk is cheap; but liquor is cheaper,
and if your looking for a good time,
just hit me on my beeper.
'Cause I got news for you.
I'm just as sad as you.
It's true.Because my whole life is not what it seems.
It's not a fairy tale, or a damn wet dream.
It's just a life.
A good time; some good times.Because everything around me is always just-a changing.
For better or for worse,
My life is rearranging,
and I got years to go; I found a home to figure out my flow.Well just so you know,
I'm never coming home.My whole life is not what it seems.
It's not a fairy tale, or a damn wet dream.
It's just a life.
A good time; some good times
