

# Happy Hippie Birthday

SoKo

Today it was your birthday  
and i didn't know what to do  
are you supposed to call the people you love  
when you know they don't love you Today was your birthday  
but i didn't dare to call  
though i thought about you all day  
even at midnight i wanted to call  
to be honoured to be the first one to send you my love  
and wish you Happy hippy birthday  
Happy hippy birthday  
Happy hippy birthday  
Happy hippy birthday  
35 candles on a cake  
that i will never taste  
35 candles run away  
that i picture in my head  
35 years old and I'm 22  
And i remember when you used to say  
that i was young but you didn't care at all Happy hippy birthday  
Happy hippy birthday  
Happy hippy birthday 16 of june 1973  
my parents hadn't even met  
16 of june 1973  
was born the only boy i can ever love  
We're 13 years apart  
like my parents were  
they're 13 years apart and for them it's worked out  
they had me and my brother  
they had me and my brother as achievements of their love My father loved my mother so  
that he would never let her down  
my mother loved my father so  
that she would never let him down She loved him until the day he died  
until the day he died  
she will love him until the day she dies  
until the day she dies  
you could love me till the day you die  
until the day you die  
cause i will love you till the day i die  
till the day i die

and even more.
