Trick!  
Soulja Boy Tell 'em! Yeah!  
And your boy Bow Wow in the building, ha ha  
My swag is too official man  
Ay Soulja, my swag too man!  
(Y'all can't catch up)  
Ayo Bow! Let 'em know how you lookin' up! Ow!  
New G shirt  
Yellow Lamborghini  
BBC shirt with a fresh pair of jeans  
Black cars, spinnin' when I hit the mall  
Ya can't catch me, I'm so ahead of y'all  
Marco Polo

Marco Polo, Marco Polo, ay!  
Took my car to the mall then I blacked out  
Now my closet full of J's like a crackhouse  
Ceiling so high, you would think it was Shaq house  
Whip so big that it beep when I back out  
Like beep, beep, ayo tell that \*\*\* move this  
Bow Wheezy, Mr. "Get 'em where the dinner's cool"  
I step up in the room, put ya ice on my chain B  
All the bad \*\*\*\*\* screamin' like they angry  
Some call me cocky but how could you blame me?  
There no other \*\*\*\*\* like me because my money lanky  
Yeah! And I'm still the first to rock man  
Yeah! First to put ice in a G shot  
And she like my new G shirt  
Yellow Lamborghini  
BBC shirt with a fresh pair of jeans  
Black cars, spendin' when I hit the mall  
Ya can't catch me, I'm so ahead of y'all

Never been fake 'cause all the girls love official

S.O.D. 'cause girls love initials

I'm on another level, I'm in my zone

Black car, white rims, can't they both get along?

This is not The Matrix but I am the oracle

"Do you wanna get wit me?" The question is rhetorical

Say the same lines but the fans aren't bored of me

75 thousand dollars if you want to order me

Hold on! Let me change my swag

My flow broadband, y'all boy still LAN

My whole click straight, y'all whole click \*\*\*\*\*

Last night your girl forehead was on my abs

Gucci bandana

Louis V leather

Keep on lookin' there's no lame gutta

Air Force Ones mixed with the new J's

You can't catch me, I'm too far away

Marco Polo

Bow makes the girls go crazy, they wanna be my lady

How many can I fit in my two-seater Mercedes?

Lime green Lambo, no roof, that's a drop top

They hatin' 'cause they girlfriends on my jock

I let her lick the rapper, let her lick the actor

The next Will Smith then I be ballin' like The Raptors

If you don't want no drama in the club then don't act up

How can I run out? My money longer than a tour bus

New G shirt

Yellow Lamborghini

BBC shirt with a fresh pair of jeans

Black cars, spendin' when I hit the mall

Ya can't catch me, I'm so ahead of y'all

Marco Polo

Ay, hit me on my cell now  
Hey, call me on my cell now  
614-360-1668, 614-360-1668  
Ay, ay, call me on my cell now
