

# Strength Within

## Unashamed

Time has come.  
Time to confront what I have fought with so long.  
I have to fight, not conform to myself.  
Conform to this world, give into my sin,  
only to fall again.  
I won't be held down, cause with God I know  
I'm strong and I know that I will overcome. You've brought me this far but each step I take  
is getting harder, but with each step I take,  
I know I'm getting stronger. God help me to use this truth you've put inside  
cause with your strength I will try.
