

You Don't Have Very Far to Go

Merle Haggard

You Don't Have Very Far To Go You always find a way, to hurt my pride
If I'm not cryin', you're not, satisfied
I don't know why you want to, hurt me so
If you're tryin' to break my heart,
You don't have very far to go You don't have very far to go before the heartaches, begin
I already feel the sadness, of a heartbreak, settin' in
You've turnin' down the flame of love, too low
If you're tryin' to break my heart,
You don't have very far to go turn around
