

# Yeah, Yeah, Yeah

## The Kinleys

He says, I look like someone  
That he used to know only I got bigger eyes  
He says, that he can tell that I'm a Capricorn  
That's when I feel his hand on my thigh  
I turned to leave, he said, What ya leavin' for  
Talk to the hand I said, I've heard it all before Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah He said, Do you wanna ride in my Coupe De Ville  
Got the engine purrin' outside  
I've been known to break hearts  
But just for you I'm goin' easy tonight  
Did I ever mention I'm headed to Harvard  
Gonna be a doctor maybe a lawyer Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah Then he blushed, then he smiles  
And he laughs and says, it's true I'm a fool for you  
And I'm thinkin' he's kinda cute  
He turns to leave, I said, What ya leavin' for  
Don't give up so easy, lie to me a little more Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah
