

Not an Alcoholic

Beefcake

Some say I'm a drunk
Some say I'm an alcoholicSome say I'm a drunk
Some say I'm an alcoholic
When I don't agree then they say I'm denying itYeah I don't deny that I like to drink beer
and I like to have fun
I don't have a care in the world
So quit your bitchin
Get me more beer
What do ya care if I choose to act like a shithead?
If you don't like it well then you can go fuck yourself
Yeah I don't deny that I like to drink beer
and I like to have fun
I don't have a care in the world
So quit your bitchin
Get me more beer
Yeah I don't deny that I like to drink beer
and I like to have fun
Don't give a fuck anymore
So quit your bitchin
Get me more beerMore beerFuck you
