

# Divisive (Tom Staar Remix)

## We Have Band

I was looking at you  
You were looking at me  
It was easy to see  
That it was one of your liesIs it working for you?  
'Cause it's working for me  
Let's count to three  
No, it's not hard to disguiseWas it part of the plan  
Taking me by the hand  
Being one of the damned  
On this merry-go-round?It's not hard to explain  
Don't hide your shame  
Just play the game  
You're one of many we've foundCrystal  
You take me out this way  
You take me out this way  
You take me out this way  
You take me out this wayYou take me out this way  
You take me out this way  
You take me out this way  
You take me outI was looking at you  
You were looking at me  
It was easy to see  
That it was one of your liesIs it working for you?  
'Cause it's working for me  
Let's count to three  
No, it's not hard to disguise
