

Have Your Way

Joe Pace

Yes, do your will, yes, do your way
Yes, I will go, yes, I'll obey
So, whatever you desire to do in this house today Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way
Have your way, have your way, have your way So, whatever you desire to do
So, whatever you desire to do
So, whatever you desire to do in this house today
