Dive

Tiffany Gouche

Girl you been teasing
I gotta come over
So why you playing
Don't act like you're scared now
Tryna do the best things I know I plan to keep you on it'Cause you been on my mind, I just wanna show ya
Or we can slow it down baby let me hold ya
What's on your mind
What's on your mind
Please let me know I just wanna be right, wanna be right
And I'm so open I don't mind at all tho
'Cause every time you come around me I just lose control
If you coming to the deep end
Baby it's alright
It's high tide I gotta dive in
I gotta dive in
I can't wait to dive inIf you coming to the deep end
Baby it's alright
It's high tide I gotta dive in
I gotta dive in
I can't wait to dive inI'm lost for words in this room
I'm lost for words in this oooo you got some of the sweetest of juice, some of the sweetest
Baby call you a food group
Tell me how ya body feels when I'm kissing you all over
Lookin like you want to explode
Going so hard that the bed can't hold us
What's on your mind
What's on your mind
Please let me know I just wanna be right, wanna be right
'Cause I'm so open I don't mind at all tho
'Cause every time you come around me I just lose controlIf you coming to the deep end
Baby it's alright
It's high tide I gotta dive in
I gotta dive in
I can't wait to dive in
If you coming to the deep end
Baby it's alright
It's high tide I gotta dive in
I gotta dive in
I can't wait to dive in
