

My Insatiable One

Suede

In the high life, I've got this feeling, now
I've got this horrible feeling
On the escalator they took it out on him
As the ridiculous world went, ohOh, he is gone
He's my insatiable one
Oh, he is gone
He's my insatiable one, ohOn the high wire, dressed in a leotard
There wobbles one hell of a retard
On the escalator we shit paracetamol
As the ridiculous world goes byOh, he is gone
He's my insatiable one
Oh, he is gone
He's my insatiable one, oh
