

Ghost of You and Me

[BBMak](#)

What am I supposed to do
With all these blues?
Haunting me everywhere
No matter what I do Watching the candle flicker out
In the evening glow
I can't let go
When will the night be over? I didn't mean to fall in love with you
And baby there's a name
For what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me Seen a lot of broken hearts
Go sailing by
Phantom ships lost at sea
And one of them is mine Raising my glass
I sing a toast to the midnight sky
I wonder why
The stars don't seem to guide me I didn't mean to fall in love with you
And baby there's a name
For what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me The ghost of you and me
When will it set me free?
I hear the voices call
Following footsteps down the hall
Trying to save what's left
Of my heart and soul Watching the candle flicker out
In the evening glow
I can't let go
When will the night be over? I didn't mean to fall in love with you
And baby there's a name
For what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me I didn't mean to fall in love with you
And baby there's a name
For what you put me through
It isn't love, it's robbery
I'm sleeping with the ghost of you and me
