

Cross the Threshold

Loudblast

I am, mother nature made me with flesh and blood
I am, mother nature gave me a sex
I am an animal, and my instinct wants me to copulate
I am a man, and my instinct wants me to enjoy sex
See the beast, choose the truth
Cross the threshold, open the door to orgasm
See the beast, choose the truth, follow your instinct
Cross the threshold, be an animal again
See the beast, choose the truth
Cross the threshold, follow your instinct, become an animal again
I want you to be my enjoyment
I want you to forget your soul
I want you to remember your body
I want you to forget all that you've been taught
See the beast, choose the truth
Cross the threshold, open the door to orgasm
See the beast, choose the truth, follow your instinct
Cross the threshold, be an animal again
See the beast, choose the truth
Cross the threshold, follow your instinct, become an animal again
I am a man, and I want to enjoy sex
No, I am an animal
Join me in the realm of true feelings
Join us and find our deepest sex drives
See the beast, choose the truth, follow your instinct
Cross the threshold, open the door to orgasm
See the beast, choose the truth
Cross the threshold, follow your instinct, become an animal again
