

# Waymore's Blues

J.J. Cale

Well, I woke up this morning, it was drizzling rain.  
Around the bend came a passenger train.  
Heard somebody yodel and a hobo moan.  
Jimmy, he's dead, he's been a long time gone,  
Been a long time gone, a long time gone. If you want to get to heaven, gotta D-I-E  
gotta put on your coat and T-I-E  
Wanna get the rabbit out of L-O-G  
You gotty make a cool motion like a D-O-G  
like a D-O-G, like a D-O-G, yeah. instrumental solo Well, I got a good woman, what's the matter with me?  
What makes me wanna love every woman I see?  
I was traveling when I met her, now I'm traveling again.  
And every woman I see looks like the place I came in.  
Looks like the place I came in, the place I came in.
