

# Love First, Ask Questions Later

Ringo Starr

What could I do when I didn't know  
When I was young I was younger  
Give me an answer, its yes or no  
How can we wait, any longer. So baby, don't forget this  
What comes around will go  
Maybe you'll regret this  
Well, maybe never knows. Love first, ask questions later  
Moments pass, they won't wait for the waiter  
No one's ever found the power that is greatest  
So love first, ask questions later. Nothing but joy in the tears we cry  
Nothing but light in around us  
Trust in each other as years go by  
No that forever has bound us. It ain't so complicated  
Its easy after all  
It can't be overstated  
The writing's on the wall. Love first, ask questions later From all the masters through all time  
There's just one truth we have to find  
My love is yours, your love is mine. Baby, don't forget this  
What comes around will go  
I promise you won't regret this  
Tomorrow never knows. Love first, ask questions later
