

# Left Coast Envy

## The Starting Line

Today could be a different day  
If the sky lifts up the haze  
Above my front lawn  
Or just another time I hold my tears  
For another year  
On my way back home

Can I sell this sunrise, in return for a sunset? Yeah  
Can I just be here one more day, until my sunburn fades away?

I've asked a hundred times what's going on  
But it went through one ear and out the other one  
Why can't I take a palm tree home with me?  
For the memory of you when I'm at home  
I've been looking forward, months back  
Vacation's everything we need

Can I sell this sunrise, in return for a sunset? Yeah  
Can I just be here one more day, until my sunburn fades away?

I'm taking pictures  
Of everything  
To remind me of the place that's so perfect for me  
And I'm taking pictures (taking pictures)  
Of everything (of everything)  
So go ahead and take this place away from me

Today could be another day  
When the sky lifts up the haze  
Off of my front lawn  
Just another time I hold my tears  
For another year  
On my way back home

Can I sell this sunrise, in return for a sunset? Yeah  
Can I just be here one more day, until my sunburn fades away?

Can I  
Sell this sunrise, in return for a sunset? Yeah

Can I just be here one more day, until my sunburn fades away?

Can I sell this sunrise, in return for a sunset? Yeah

Can I just be here one more day, until my sunburn fades away?

Sunburn fades away
