

# disassemble

## O.L.D.

What you cannot see is not what it seems to be  
Your life manufactured, to be disassembled  
Disassembled...  
Your world dehumanized, godless, desensitized  
Your mind insignificant, god damned degradation  
Falling down, breaking down  
Falling down...  
All comes...  
Falling down, breaking down  
Falling down...  
All comes falling down  
All comes falling down  
Break...  
I am your fate to bring your world of hate  
To a final end for my existence

I will tear you down  
Burn you to the ground  
I will tear you down  
Burn you to the ground  
Falling down, breaking down  
Falling down...  
All comes...  
Falling down, breaking down  
Falling down...  
All comes...  
Falling down, breaking down  
Falling down...  
All comes falling down  
All comes falling down  
Your world will end  
Your day is dead  
Your time will end  
Your world is dead
