

Serious

Sanders Bohlke

If you are serious
I'll be serious, too
I'll rip your heart out
Like you want me to I am serious
Are you serious?
I'll kiss your mouth
and you'll be better for it If you are serious
I'll be serious, too
I'll rip your heart out
Like you want me to Why're you laughing?
This is serious
I can't love you
Like I want to If you are serious
I'll be serious, too
I'll rip your heart out
Like you want me to
