Taste And See

Paul Baloche

Taste and see, the Lord is good
Good to those who hunger after Him
Drink and be filled from the living well
And never thirst againJesus is the bread of life
Broken and poured out for us
And because of His great sacrifice
We can know the Father's loveTaste and see, the Lord is good
Good to those who hunger after Him
Drink and be filled from the living well
And never thirst againTaste and see, the Lord is good
He's been good to meJesus is the bread of life
Broken and poured out for us
And because of His great sacrifice
We can know the Father's loveTaste and see, the Lord is good
Good to those who hunger after Him
Drink and be filled from the living well
And never thirst again
No, never thirst againTaste and see, the Lord is good
He's been good to meTaste and see, the Lord is good
Good to those who hunger after Him
Drink and be filled from the living well
And never thirst againTaste and see, the Lord is good
Good to those who hunger after Him
Drink and be filled from the living well
And never thirst again
No, never thirst againTaste and see, the Lord is good
He's been good to me
He's been good to me
Oh yes, You have, Lord
He's been good to meSo good, You've been good to me
Oh yes, You have, You've been good to me
So good, so good, You've been good to meGreat is Thy faithfulness
Great is Thy faithfulness
Oh God, my Father
