

# Until I Die

## Vast

I'll be your shelter  
I'll be your rain  
When you are crazy I'll be sane  
When you are dangerous  
I'll let you go  
You know I should  
I wanna stay with you all of my life  
I wanna be with you until I die  
Until I die

When you are naked  
I'll bring you some clothes  
When you are needed  
I won't leave you alone  
When you are dangerous  
I'll let you go  
You know I could  
But I wanna stay with you all of my life  
I wanna be with you until I die  
Until I die
