

Push

Drowning Pool

Let me live, let me live
Let me live with a fuck to give If I suffocate one more day
In ritual lethargy
Well there ain't no thing like habitual
Suicide in effigy But I walk to cut
To break away
And the prideful leash
And this spiteful tethering Don't push me I wanna die (stop pulling at me)
I wanna die with some peace of mind
Live, let me live (stop pulling at me)
Let me live with a fuck to give
Push If I eat the lies one more time
I'll choke to death on my pride
I can't push aside all the broken
Bones you're calling a spine I walk to cut
To break away
And the prideful leash
And this spiteful tethering Don't push me I wanna die (stop pulling at me)
I wanna die with some peace of mind
Live, let me live (stop pulling at me)
Let me live with a fuck to give I wanna die (stop pulling at me)
I wanna die with some peace of mind
Live, let me live (stop pulling at me)
Let me live with a fuck to give
Where do we go when all the best years of our lives
Are passing by faster than we can blink our eyes? They say that life's a bitch, well
I've got a bone to pick, I said
I told her, bend over
And I'll fuck, I'll fuck, I'll fuck the world I wanna die (stop pulling at me)
I wanna die with some peace of mind
Live, let me live (stop pulling at me)
Let me live with a fuck to give I wanna die (stop pulling at me)
I wanna die with some peace of mind
Live, let me live (stop pulling at me)
Let me live with a fuck to give Push (stop pulling at me)
Let me live with a fuck to give
Push (stop pulling at me)
Let me live with a fuck to give
