

# Promises

## Adagio

I've been waiting so long  
To see the moon rising by your side  
How many days, since you're gone I've cried so many times  
But I've spent so many hours to hide  
The tears that I had in my eye When will I see you again  
Give me a last chance to make  
Love, with you forever and ever again  
I miss you I can't feel pain anymore  
I'm so lost in a world of sorrow  
But I will wait the hour  
To set your heart on fire Mountains of ice I will cross  
Fountains of gold I will find  
To give you a gift as precious as you In endlessly I will shout  
Your name in the silence of night So when will I see you again  
Give me a last chance to make  
Love, with you forever and ever again  
I love you I can't feel pain anymore  
I'm so lost in a world of sorrow  
But I will wait the hour  
To set your heart on fire
