

# Ooh La La

## The Wiseguys

Come on, come on, come on  
Come on, come on, come on  
Alright, put your palms together now, oh

Come on, come on, come on  
Come on, come on, come on  
Come on, come on, come on

Come on, come on, come on  
Come on, come on, come on  
Ah, 1, 2, 3, 4

Say, say, say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Come on, come on, come on  
Come on, come on, come on  
Ah, 1, 2, 3, 4

Do a jive, do a jive, do a jive to the beat and  
Do a jive, do a jive, do a jive to the beat and  
Do a jive, do a jive, do a jive to the beat and

Do a jive, do a jive, do a jive to the beat and

Down on my floor  
Down on my floor  
Down on my floor

Down on my floor  
Down on my floor  
Down on my floor

Ah, say ooh, say ooh  
Say ooh, say ooh

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la  
Say zoom, come on, come on

Say turn it out, turn it out  
Without a doubt, without a doubt  
Say turn it out, turn it out  
Without a doubt, without a doubt

Say turn it out, turn it out  
Without a doubt, without a doubt  
Say turn it out, turn it out  
Without a doubt, without a doubt

Say turn it out, turn it out  
Without a doubt, without a doubt  
Say turn it out, turn it out

Without a doubt, without a doubt

Say turn it out, turn it out  
Without a doubt, without a doubt  
Say turn it out, turn it out  
Without a doubt, without a doubt

Say turn it out, turn it out  
Say turn it out, turn it out  
Say turn it out, turn it out  
Say turn it out, turn it out

Say turn it out  
Say turn it out  
Say turn it out  
Say turn it out

Say turn, say turn  
Say turn, say turn  
Say, say, say, say  
Say, say, say, say  
Say, say, say, say

Say ho, ho  
Say ho, ho  
Say ho, ho  
Say ho, ho

Say ho, ho  
Say ho, ho  
Say ho, ho  
Say ho, ho

Say ho, ho  
Say ho, ho  
Say ho, ho  
Say ho, ho

Say ho, ho  
Say ho, ho  
Say turn it out, turn it out  
Without a doubt, ah

Say, ooh la la  
Say zoom, come on, come on  
Say, ooh la la

Say zoom, come on, come on

Say, ooh la la

Say zoom, come on, come on

Say, ooh la la

Say zoom, come on, come on

Say, ooh la la

Say zoom, come on, come on

Say, ooh la la

Say zoom, come on, come on

Say, ooh la la

Say zoom, come on, come on

Say, ooh la la

Say zoom, come on, come on

Come on, come on, come on

Come on, come on, come on

Come on, come on

Ah, ah, ah, ah, ah, ah, ah, ah

And you don't know me yet
