# Crashed The Wedding

## Busted

I'm so rushed off my feet
(Oh oh)
Looking for Gorden Street
So much I need to say
I?m sorry that its on her wedding day
'Cause she?s so right for me
(Oh oh)
Her daddy disagrees, he?s always hated me
'Cause I never got, a J O B
'Cause she?s mine
And I?m glad, I crashed the wedding
It's better than regretting, I could have been a loser kid
And ran away and hid but it's the best thing I ever did
'Cause it's true love that lasts forever
And now we?re back together
As if he never met her so looking back
I'm glad, I crashed the wedding
The neighbors spread the word
(Damn)
My mom cried when she heard
I stole my girl away from everybody gathered there that day
And, just in time
And I?m glad, I crashed the wedding
It's better than regretting, I could have been a loser kid
And ran away and hid, I said I'd do it and I did
'Cause it's true love that lasts forever
And now we?re back together
As if he never met her so looking back
I'm glad, I crashed the wedding
So please stop being
Mad at me for taking her away
'Cause anyway she didn't want to stay
So please believe me when I say
She?s glad, I crashed the wedding
It's better than regretting
The ring she got was lame, she couldn't take the pain
She didn't want a silly second name
'Cause true love lasts forever
(True love lasts)

And now we?re back together
You might as well forget her and walk away
She?s glad, I crashed the wedding
(Back together)
It's better than regretting
(It's better than regretting)
The ring she got was lame
She couldn't take the pain
She didn't want a silly second name
(No no no no)
'Cause true love lasts forever
(True love lasts)
And now we're back together
You might as well forget her and walk away
She's glad, I crashed the wedding
