

# Crashed The Wedding

## Busted

I'm so rushed off my feet  
(Oh oh)  
Looking for Gorden Street  
So much I need to say  
I'm sorry that its on her wedding day  
'Cause she's so right for me  
(Oh oh)  
Her daddy disagrees, he's always hated me  
'Cause I never got, a J O B  
'Cause she's mine  
And I'm glad, I crashed the wedding  
It's better than regretting, I could have been a loser kid  
And ran away and hid but it's the best thing I ever did  
'Cause it's true love that lasts forever  
And now we're back together  
As if he never met her so looking back  
I'm glad, I crashed the wedding  
The neighbors spread the word  
(Damn)  
My mom cried when she heard  
I stole my girl away from everybody gathered there that day  
And, just in time  
And I'm glad, I crashed the wedding  
It's better than regretting, I could have been a loser kid  
And ran away and hid, I said I'd do it and I did  
'Cause it's true love that lasts forever  
And now we're back together  
As if he never met her so looking back  
I'm glad, I crashed the wedding  
So please stop being  
Mad at me for taking her away  
'Cause anyway she didn't want to stay  
So please believe me when I say  
She's glad, I crashed the wedding  
It's better than regretting  
The ring she got was lame, she couldn't take the pain  
She didn't want a silly second name  
'Cause true love lasts forever  
(True love lasts)

And now we're back together  
You might as well forget her and walk away  
She's glad, I crashed the wedding  
(Back together)  
It's better than regretting  
(It's better than regretting)  
The ring she got was lame  
She couldn't take the pain  
She didn't want a silly second name  
(No no no no)  
'Cause true love lasts forever  
(True love lasts)  
And now we're back together  
You might as well forget her and walk away  
She's glad, I crashed the wedding
