

# There's A Hero

**Billy Gilman**

There's a flower in the smallest garden reaching for the light  
There's a candle in the darkest corner conquering the night  
There is amazing strength in a willing hand  
There are victories that you've never planned  
There's a hero in everybody's heart  
There's a fire inside of everybody burning clear and bright  
There's a power in the faintest heartbeat that cannot be denied  
Go on and trust yourself you can ride the wind  
You're gonna take your dreams where's they've never been  
There's a hero in everybody's heart  
Go on and trust yourself you can ride the wind  
You're gonna take your dreams where they've never been  
There's a hero in everybody's heart  
There's a hero in everybody's heart
