Celeste

Project Pitchfork

The first time I saw her,
my heart broke apart,
she is dancing like a goddess,
she is so fine,
I want to make her mine,
looking in her eyes,
makes me realize,
I've got to know her,
I've got to get her,
you're taking my breath -
Celeste,
you push me down on my knees,
oh baby please give me the rest -
Celeste,
I want to kiss your luscious lips,
oh baby please give me the rest -
Celeste,
her voice sounds like a fallen angel,
her body is wrapped in black leather,
she attracts me,
she touches my soul,
I want to stay,
she makes me rise,
then she turns away,
I'm just a figure in the
game she plays every night,
with every man who
catches her sight,
you're taking my breath -
Celeste,
you push me down on my knees,
oh baby please give me the rest -
Celeste,
I want to kiss you luscious lips,
oh baby please give me the rest -
Celeste.
