

# Dysfunctional

## Pixie Lott

So dysfunctional

So dysfunctional

So dysfunctional I feel like I am tied up in your love

I hate it but I cant get enough

We play this game again and again

I wonder when this cycle will end You break me, shatter me, make me crazy

I wonder why, I keep calling you my baby

I cant say no even though, you're just breaking me down

(Baby, you know me)[Chorus]

So dysfunctional that I cant let go

You got me spinning and I lose control

I walk away when you crawl right back

You love to paint my heart black You turn it on

And you turn around

Every time you let me down

So dysfunctional

So dysfunctional

This is so dysfunctional Sometimes I wish I could walk away

When you leave me hanging for days

My broken heart just tries to pretend

You make me choose between you and my closest friends You break me, shatter me, make me crazy

But I cant let you go

I keep on praying

That we might be alright

You'll stop making me cry

(Maybe in my dreams)[Chorus]

So dysfunctional that I cant let go

You got me spinning and I lose control

I walk away when you crawl right back

You love to paint my heart black You turn it on

And you turn around

Every time you let me down

So dysfunctional

So dysfunctional

This is so dysfunctional Boy, boy you make me high,

Then you take me so low

I cant kick this habit, Oh, I know So dysfunctional

So dysfunctional

So dysfunctional

Yeah, MmmBaby, you know me![Chorus]  
So dysfunctional that I cant let go  
You got me spinning and I lose control  
I walk away when you crawl right back  
You love to paint my heart blackYou turn it on  
And you turn around  
Every time you let me down  
So dysfunctional  
So dysfunctional  
This is so dysfunctionalSo dysfunctional  
So dysfunctional  
This is so dysfunctional
