

# Hot Wire (Digitally remastered)

Al Green

I miss you  
How I long to kiss you, baby  
Without you, can't go on  
Without you, baby I got a hot wire from my baby  
(From my baby)  
Ooh, what a sweet little telegram  
(From my baby) She wrote, darling, I love you  
There's no one above you  
I wish you were home  
(Wish you were home)  
You been gone so long  
Sincerely (I miss you)  
I'm a tell, y'all  
(How I long to kiss you, baby)  
Every, every day now (Without you) please  
(Can't go on without you, baby)  
What'd she say She wrote, love be with you  
And every day, I'll miss you  
I wish you were home so bad  
(I wish you were home) so bad  
You been gone so long, oh (I miss you)  
Sing the song children now  
(How I long to kiss you, baby) (Without you) can't make it  
(Can't go on without you, baby)  
Play your part right here  
Come on She wrote, baby, I love you  
My heart and soul is with you  
I wish you were home  
(Wish you were home)  
You been gone so long  
Sincerely (I miss you)  
Baby, yeah, yeah, yeah, yeah  
(How I long to kiss you, baby)  
Yeah, yeah, yeah, yeah, yeah (Without you)  
Without you, I can't make it  
(Can't go on without you, baby)  
Take it just a bit higher, y'all Look (I miss you)  
Oh, oh, oh, oh, oh  
(How I long to kiss you, baby)

I'm gonna kiss you more and more(Without you) baby  
(Can't go on without you, baby)  
Don't even have a possible chance  
But I wanna say it one more  
Come on(I miss you) oh, baby  
(How I long to kiss you, baby)  
Every, every day, y'all(Without you) yeah  
(Can't go on without you, baby)  
Just a little higher, y'all...
