Plot Twist

Sigrid

I thought you were someone to trust
Get tough, grow up, straight up
Know you've shown only me
You're the best night I ever had
You're the best night I never hadOh-oh-oh, shots fired
Can't trust the hype, no
Better work on the hype, oh
Oh-oh-oh, shots fired
Better work on the hype, oh
Do you need me to spell it out
I just do it all
Plot twist, hold on and now you want me
You're playing games like a wannabe
Tough luck, you're kidding yourself
Plot twist, hold on and now you want me
You're playing games
I don't wanna beI don't wanna be
I don't wanna beTick tock, tick tock, we're overdue
But if you're gonna crack my heart
Do it in two
Give me a show
So let you know from me
You're getting push out of my priority
Oh-oh-oh, shots fired
Can't trust the hype, no
Better work on the hype, oh
Oh-oh-oh, shots fired
Better work on the hype, ohDo you need me to spell it out
I just do it all
Plot twist, hold on and now you want me
You're playing games like a wannabe (shots fired, fired)
Tough luck, you're kidding yourself
Plot twist, hold on and now you want me
You're playing games
I don't wanna beI don't wanna be
I don't wanna beDo you need me to spell it out
I just do it all
Plot twist, hold on and now you want me
You're playing games like a wannabe (shots fired, fired)

Tough luck, you're kidding yourself
Plot twist, hold on and now you want me
You're playing games
I don't wanna be
