passed time

daiqing tana

Days before
the most beautiful part of life
O Alsarch went past days.
Semerch Ã¼regdseer handful happiness Ã¼ldevch
I heart ilchtei like the old coat.
Hailar full of snow Ã¶vlÃ¼Ã¼d
Stranger horse teregchnii song
Imin river warm summer Evenings
Very distant melody heard in the bayankhuuryn
We passed at the end of each experienced
But much changed, although
To commemorate the old days of the substance
Faces tragedy is shining.
the most beautiful part of life
O Alsarch went past days.
A glass fiber lift my friends
O on the table remains snacks.
A young man full of joy and pain
Space I have friendship
Merge voice heard about longing
Oh distant Moscow quiet Evenings.
But all that changed despite
Pass he is full of confidence,
Oh, was not Nevertheless once
Happy again chosen to go at all.
