

# Hand Held in Black and White

## Dollar

On a ticket Tokyo return  
Colour evening palaces that burn  
Some expression leading to the sky  
They will wait until you learn to fly  
Hand held in black and white  
    Into the northern light  
    Fly like a silver wing higher  
    Catching the southern wind  
    Gliding and other things  
    Fly like a silver wing higher  
Inner visions written on the wall  
    In graffiti, winner takes it all  
Take a chance and put your money down  
We will race you high above the ground  
Hand held in black and white

    Into the northern light  
    Fly like a silver wing higher  
    Catching the southern wind  
    Gliding and other things  
    Fly like a silver wing higher  
Inner visions written on the wall  
    In graffiti, winner takes it all  
Take a chance and put your money down  
We will race you high above the ground  
Hand held in black and white  
    Into the northern light  
    Fly like a silver wing higher  
    Catching the southern wind  
    Gliding and other things  
    Fly like a silver wing higher  
Hand held in black and white  
    Into the northern light  
    Fly like a silver wing higher  
    Catching the southern wind  
    Gliding and other things  
    Fly like a silver wing higher  
Hand held in black and white

Into the northern light  
Fly like a silver wing higher
