

Fever On The Bayou

Rodney Crowell

Jole blon Louisiana queen
Brought up on the Bayou
Bustin' at the seams
She moves me
She says I move her too
Once we get it started
Ain't nothing we won't doBaby when she roll me
Fever on the Bayou
When she get a hold me
much oh, me oh, my oh
Louisiana moon glow
Way up in the sky oh
I love to see her comin'
and hate to see her goCreole belle,dancing in the rain
I love to hear her laughter
I love to hear her sing
I've got money ,I've got lots of time
She makes me feel so money
When she spends my dimeBaby when she roll me
Fever on the Bayou
When she get a hold me
much oh, me oh, my oh
Louisiana moon glow
Way up in the sky oh
I love to see her comin'
and hate to see her goShe's a hurricane,a hurricane
on the pontchartrain
and ever since she hit it
things just ain't the sameElle est mon cher, ma files d'amant
je ne parle franglais, je suis son bon vivant
reville au tois avec l'amour
I round the kitchen table
and on the cabin floorBaby when she roll me
Fever on the Bayou
When she get a hold me
much oh, me oh, my oh
Louisiana moon glow
Way up in the sky oh
I love to see her comin'

and hate to see her goBaby when she roll me

Fever on the Bayou

When she get a hold me

much oh, me oh, my oh

Louisiana moon glow

Way up in the sky oh

I love to see her comin'

and hate to see her go
