

Wanted Man

Frankie Lane

Head down on a pillow of concrete
I won't rest in peace either way
And I won't be forgiven and I will never give in
I'll give you something if you wanna believe
 Won't ever belong
 Just wanna be free
 I'm a wanted man
 Got blood on my hands
You keep tellin' me to back down, won't do it
 Livin' on the wrong side of a bullet
 I'm a wanted man
 Never stood a chance
Renegade from the day that I knew it
 Livin' on the wrong side of a bullet
 Laid down in a garden of envy
 Time is standin' still every day
And I won't be forgiven and I will never give in
I'll save you something but I can not be saved
 Won't ever belong
 Just wanna be free
 I'm a wanted man
 Got blood on my hands
You keep tellin' me to back down, won't do it
 Livin' on the wrong side of a bullet
 I'm a wanted man
 Never stood a chance
Renegade from the day that I knew it
 Livin' on the wrong side of a bullet
 And if I get out alive
 I won't be on my knees
 Yeah, yeah
 And if I get out alive
 I'm a wanted man
 Got blood on my hands
You keep tellin' me to back down, won't do it
 Livin' on the wrong side of a bullet
 I'm a wanted man
 Never stood a chance
 Renegade from the day that I knew it

Livin' on the wrong side of a bullet
