Nobody's a Hero

Trixter

The headline reads
Another boy shot down to his knees
A drug crazed killer
Blew his dreams away
The t.v. speaks of all the violence
And the latest crimes
The tragedies, Kennedys ain't that a sign of the times
Whoa oh oh is there anybody out there
A living soul that cares at all
Whoa, oh oh is there anybody out there
'Cause how can we live in a world where...
Nobody's a hero nobody's a fighter
Where would we be in this land of foes
Without heroes I don't know
And who will we turn to
When the walls come tumbling down
It's time to change, rearrange
This world that we've found
Whoa oh oh is there anybody out there
A living sould that cares at all
Whoa oh oh is there anybody out there
'Cause how can we live in a world where...
Nobody's a hero nobody's a fighter
Where would we be in this land of foes
Without heroes I don't know
I think Lennon said it best
"We should give peace a chance"
The only fear is fear itself
The change is in our hands
Nobody's a hero nobody's a fighter
Where would we be in this land of foes
Without heroes I don't know
