

No Fakes

Red Cafe

(x2)

All you do is fake
None of my niggas fake
None of my bitches fake
We don't fuck with fakes
All you do is fake
None of my niggas fake
None of my bitches fake
We don't fuck with fakes Put up in the belly, put up in the face
And for hundred k, act like had no choice
Now look how we claim, got some couple toys
Ace in the A, ???
All my partners straight, my man shot a tatted
Oh yeah, my bitch is baddest
Uh, look at the package
I just got back from Dallas
I just got back from Vegas
Our chopper ???
I'm a certified killer, you can go check my resume
Ain't nothing fake
Feel the fuck ?? paper shot
Ain't nothing fake(x2)
All you do is fake
None of my niggas fake
None of my bitches fake
We don't fuck with fakes
All you do is fake
None of my niggas fake
None of my bitches fake
We don't fuck with fakes
