

President Gas

Mi Amore

You have to have a party
When you're in a state like this
 You can really move it all
 You have to vote and change
 You have to get right out of it
 Like out of all this mess
 You'll say yeah to anything
 If you believe all this but
 Don't cry, don't do anything
 No lies, back in the government
 No tears, party time is here again
 President gas is up for president
 Line up, put your kisses down
 Say yeah, say yes again
 Stand up, there's a head count
President gas on everything but roller skates
 It's sick the price of medicine
 Stand up, we'll put you on your feet again
 Open up your eyes
 Just to check that your asleep again
 President gas is president gas again
 He comes in from the left sometimes
 He comes in from the right
It's so heavily advertised that he wants you and I
 It's a real cowboy set, electric company
 Every day is happy days
 It's hell without the sin, but
 Don't cry, don't do anything
 No lies, back in the government
 No tears, party time is here again
 President gas is up for president
 Line up, put your kisses down
 Say yeah, say yes again
 Stand up, there's a head count
President gas on everything but roller skates
 It's sick the price of medicine
 Stand up, we'll put you on your feet again
 Open up your eyes just to check that your asleep again
 President gas is president gas again

President gas
Oh, president gas
Whoa, president gas
Oh, president gas
Whoa, president gas
Oh, president gas
Whoa, president gas
