(feat. Alvaro) Show me love  
Show me light  
You're everything that I wanna speak  
Show me love  
Show me love  
Ahh-ahh  
Tonight  
Ahh-ahh  
Crack a bottle roll it up show me light  
Ahh-ahh  
It's on, tonight  
Ahh-ahh  
Dj crank it, get it banging, show me light  
Show me l-o-o-o-o-ove  
L-o-o-o-o-ove  
L-o-o-o-o-ove  
O-o-o-o-ove Crawl out make it pop now  
Live like EDC  
People live away  
Hands in the air  
We don't need no VIP  
Hell no  
All I need is a tribute kiss  
To make it feel like New Years Eve  
Dirty bass up, 'till you pass out  
Living wild young and crazy Check it out  
You better drop that thing  
Drop, drop  
You better pop that thing  
Pop, pop  
You better chop that thing  
Everybody turn it up

You better drop that thing  
Drop, drop  
You better pop that thing  
Pop, pop  
You better chop that thing  
Everybody turn it up[Chorus:]  
Show me love  
Show me light  
You're everything that I wanna speak  
Show me love  
Show me love  
Ahh-ahh  
Tonight  
Ahh-ahh  
Crack a bottle roll it up show me love  
Ahh-ahh  
It's on, tonight  
Ahh-ahh  
Dj crank it, get it banging, show me light  
Show me l-o-o-o-o-ove  
L-o-o-o-o-ove  
L-o-o-o-o-ove  
O-o-o-o-oveYo, boomin' is how I bling  
She slows right by the beach  
This is how I do it  
With my low funk sleezy E  
Booming is how I live  
Not the beach soft ball of shit  
Turned up when I'm at the crib  
Saw your basses drop to this  
Like this[Outro:]  
Every night  
Every night we goin hard until we see the light  
If you sexy you and me tonight  
Me tonight  
We goin' hard until we see the light  
See the light  
Show me love  
Show me light  
You're everything that I wanna speak  
Show me love  
This is the lies  
Dirty Bass  
The lies  
Dirty Bass
