## Butterfingers

Stay in the light  
shadows in the light  
We are..I have burned to throw myself  
    awake to escape  
    deny it all  
out of the humdrumthere are some who share our views  
    and some try to deny it all  
    ignoramusif it is fate  
    deal with it  
    your blood is red  
    mine is too  
    just deal with it right away  
    you deal with the right waythe rat race of the week  
I'm fool wonderful I've been doing this since i was in school  
    dancing dilemmas  
do you know that questions can tear your apart in  
    all directions  
beating the humdrumexperiment a little bit  
    your blood is red  
    mine is too  
    just deal with it right away  
    deal with it the right way  
howthe rat race of the week (3x)round and round  
    we go around  
still our heads get awfully numbtoday  
    a little bit a day
