

# A Month of Sundays

## Roses Are Red

i just want to remember all the times we had together  
around the first time i saw you  
it felt great  
i'm nervous  
i'm so scared  
and i knew i'd never be the same  
though we're worlds apart  
the moon is shining through our windows  
it all ends here tonight  
i miss you but you need this  
destiny aside  
i'll make the best of what you give  
i only have one life to live  
destiny aside  
driving down the wrong side of the road  
i let the wheel go and you as well  
around the first time the tears fell from your eyes  
i held you by my side  
and i knew i'd never be the same
