

Oh, You Crazy Moon

Frank Sinatra

When they met, the way they smiled, I saw that I was through

Oh, you crazy moon, what did you do?

And when they kissed, they tried to say that it was just in fun

Oh, you crazy moon, look what you've done
Once you promised me, you know that it would never end
You should be ashamed to show your funny face, my friend
There they are, they fell in love, I guess you think
that you're smart

Oh, you crazy moon, you broke my heart
Once you promised me, you know, that it would never end
You should be ashamed to show your funny face, my friend
