

Cold Lips

Twin Peaks

You know you got such nice clothes
I'd like to see them fit you when you're old
You've been wasting all my time acting cold
You oughtta get yourself a shiny gold medal for being the coldest bitch I know
You can live how you want
If you don't mind living alone
You can live how you want
If you don't mind living alone
You know your pretty face is just a face
All there is in you is the absence of space
You only take off your clothes for the gossip it gives
The only good reason for your clothes to come off is so somebody can use a whip
You can live how you want
You can live how you want
If you don't mind living alone
You can live how you want
You do whatever you want
If you don't mind living alone
You can live how you want
You can live how you want
If you don't mind living alone
