How Much Is That Doggie In the Window

Patti Page

How much is that doggie in the window?
The one with the waggly tail
How much is that doggie in the window?
I do hope that doggie's for saleI must take a trip to California
And leave my poor sweetheart alone
If he has a dog, he won't be lonesome
And the doggie will have a good homeHow much is that doggie in the window?
The one with the waggly tail
How much is that doggie in the window?
I do hope that doggie's for saleI read in the papers there are robbers
With flashlights that shine in the dark
My love needs a doggie to protect him
And scare them away with one barkI don't want a bunny or a kitty
I don't want a parrot that talks
I don't want a bowl of little fishies
He can't take a goldfish for a walkHow much is that doggie in the window?
The one with the waggly tail
How much is that doggie in the window?
I do hope that doggie's for sale
