Love Me Like You Mean It

Bryan White

You don't have to try so hard
What's with the attitude
All I want is who you are
All you gotta do isLove me like you mean it
Every day I really want to know
That's you're willing to lay your heart on the line
Talking is fine but feeling is believing
Love me like you mean itYou can try the latest style

But that won't turn my head If you want to drive me wild

And keep me interestedLove me like you mean it

Every day I really want to know

That's you're willing to lay your heart on the line

Talking is fine but feeling is believing

Love me like you mean it, yeah, yeahThey'll try to tell you that the secret to the mind of a man

Is to be some kind of fantasy

But what I'm needing you ain't ever gonna find in a magazine It's in between you and me, yeah, yeahJust love me like you mean it

Every day I really want to know

That's you're willing to lay your heart on the line

Talking is fine but feeling is believing

Love me, love me like you mean it, oohLove me like you, like you, like you mean it

[Incomprehensible]

(Love me like you, like you, like you mean it)

[Incomprehensible]

'Cause I don't really care

(Love me like you, like you mean it)Love me like you, like you, like you mean it

(Love me like you, like you, like you mean it)

Love me like you, like you, love me like you mean it
