

# Busy Man

Billy Ray Cyrus

There's a little boy out in the driveway, his basketball in hand  
Saying, "Daddy can we play a little one on one?"  
You pat him on the back and say  
"Not now son, I'm a busy man" His sister's out on the sidewalk  
Setting up a lemonade stand  
"Hey Daddy, don't you want to buy a glass from me"  
You say, "Maybe later, can't you see I'm a busy man?" You got to go, got to run, hit it hard and get it done  
Everyone can see you're going far  
You got responsibilities, a crazy schedule that you keep  
And when you say that time's a-wasting  
You don't know how right you are  
Busy man There's a woman in the bedroom crying  
Saying, "I thought we had plans"  
You say, "Honey, I'm sorry I'll make it up  
When the job slows down and I'm not such a busy man" You got to go, got to run, hit it hard and get it done  
Everyone can see you're going far  
You got responsibilities, a crazy schedule that you keep  
And when you say that time's a-wasting  
You don't know how right you are  
Busy man Have you ever seen a headstone with these words  
"If only I had spent more time at work" There's a call one day from the office  
They need you down in Birmingham  
You say, "No way, the weekend's mine  
I got plans with the kids and a date with my wife  
I'm a busy man" You got to go, got to run, take a break and have some fun  
Those that love you most say, "You've come far"  
Got some new priorities in that schedule that you keep  
And when you say that time's a-wasting  
Now you know how right you are  
Busy man
